Exceptional recruitment services and true commitment from Beyond Satisfaction and Pierre! Clear processes and constant communication with us. Many great advice which helped our business to solve our recruitment issues.

Olive and Sage Hampstead

Pierre went into full details on the different aspects of customer success and covered everything we wanted. We are now 10 times more knowledgeable on both basics of customers service and on how to manage difficult clients. The way it was presented, how we had to work on our own documentation and the way Pierre engaged with us made it very interactive.

Blizzard Group

Excellent delivery, clear, concise and very helpful. Exceptional insights and very knowledgeable trainer. On top of the content, what really stood out was the engagement, the originality and the personal anecdotes the trainer shared! Well done for an engaging and insightful session!
